Dear Mr. Reuben:

Thank you for your recent correspondence discussing the sex offender laws in Nebraska. I appreciate the concerns behind your request for changes to these laws. Should legislation be presented to me for consideration of changes to sex offender laws during this legislative session, I will certainly keep your ideas in mind.

Again, thank you for sharing your thoughts with me. Your comments are always welcome. As a father, I appreciate your cares and concerns for your granddaughter.

Sincerely,

  
Pete Ricketts  
Governor
